## 2022 Tour de Cure Kickoff Recap

On Wednesday, April 27th, many of our 2021 Tour de Cure Champions gathered together for the first time in 2 years to celebrate Tour de Cure. The energy in the room was electric and you could tell how much everyone had missed being together with their Tour family. Our new staff kicked off the evening. Thank you to everyone who was able to attend! This event really set the stage for what's to come in September!

## JULY TRAINING
