

3 EASY ways to exceed your fundraising goal are:

1. **Download and use the Mobile App** for Tour de Cure® –you can text friends & family to enlist support!
2. **Send emails**
3. **Create a Facebook Fundraiser**

Send Emails

Log into your Participant Center and choose from any of the templates listed here—quick and easy! Each email has a URL included in the body (not visible in the template) directing people to your fundraising page.

You can ALSO send emails by clicking on the social tab—and send them directly from your personal account.

The screenshot shows the 'Send Emails' interface. At the top, there is a navigation bar with tabs for 'Home', 'Social', 'Email', 'Progress', and 'Personal Page'. The 'Email' tab is selected. Below the navigation bar, the text 'Compose Message' is displayed. A progress indicator shows four steps: 1. Configure, 2. Compose, 3. Set Recipients, and 4. Preview & Send. Below the progress indicator, the text 'Select Email Template' is displayed. There are two expandable sections: 'Thank You (1)' and 'Recruiting (5)'. The 'Recruiting (5)' section is expanded, showing five email templates:

4. Select the message(s) you'd like to post.
5. Select the how you'd like to the message to be sent (social media, text or email).
6. Select a photo (if you'd like one).
7. Proof the message.
8. Post.

Create a Facebook Fundraiser

After logging into your Participant Center, participants can create a Facebook Fundraiser. All funds raised through the Facebook Fundraiser will be reflected on each participant's fundraising total.

Facebook Fundraisers are an easy and interactive way to make your Facebook Friends aware you are participating in the Tour de Cure.

These Facebook Fundraisers give the participant the ability to invite people to the Fundraiser and thank people who have donated. You can also share the fundraiser through group pages, your timeline and your friend's timelines.
